

OCT 28-
29 2022

DAY 1- 28 OCTOBER

OP	OP Opening Speeches	Friday, 28 October 09:45 - 10:00	Welcome	Hall 1
----	------------------------	-------------------------------------	----------------	--------

Chair:

Idit Matot (Tel Aviv, Israel)

Bernard Cholley (Paris, France)

KL	1KL1 Keynote Lecture	Friday, 28 October 10:00 - 11:15	Myocardial injury in surgical patients: importance and definitions	Hall 1
----	-------------------------	-------------------------------------	---	--------

Chair:

Idit Matot (Tel Aviv, Israel)

Keynote lecture: The burden of perioperative mortality and the contribution of perioperative myocardial injury

10:00 - 10:30

Daniel Sessler (Cleveland, United States)

Q&A

10:30 - 10:35

Daniel Sessler (Cleveland, United States)

State of the art of acute coronary syndrome

10:35 - 10:50

Thomas Luscher (Zurich, Switzerland)

Q&A

10:50 - 10:55

Thomas Luscher (Zurich, Switzerland)

Myocardial injury, Myocardial Injury after Non-cardiac Surgery (MINS), Perioperative Myocardial Injury (PMI) - what are we talking about

10:55 - 11:10

Michelle Chew (Linköping, Sweden)

Q &A

11:10 - 11:15

Michelle Chew (Linköping, Sweden)

PC	1PC1 Pro-Con	Friday, 28 October 11:45 - 12:45	Risk stratification and detection of myocardial injury	Hall 1
----	-----------------	-------------------------------------	---	--------

Chair:

Mona Momeni (Brussels, Belgium)

Pre-op cardiac evaluation of the high-risk patient: how far should we go?

11:45 - 12:00

Jean-Luc Fellahi (Lyon, France)

Q&A

12:00 - 12:05

Jean-Luc Fellahi (Lyon, France)

Pro/con: Should we measure troponin in the postoperative period?

12:05 - 12:05

Pro

12:05 - 12:15

Giovanna Attilia Luisa Lurati Buse (Düsseldorf, Germany)

**OCT 28-
29 2022**

Con
Idit Matot (Tel Aviv, Israel) 12:15 - 12:25

Rebuttal
Giovanna Attilia Luisa Lurati Buse (Düsseldorf, Germany) 12:25 - 12:35
Idit Matot (Tel Aviv, Israel)

Debate
Jean-Luc Fellahi (Lyon, France) 12:35 - 12:45
Idit Matot (Tel Aviv, Israel)
Giovanna Attilia Luisa Lurati Buse (Düsseldorf, Germany)

MBO

1MBO1 Friday, 28 October
Meet the Expert 12:15 - 12:45

Breakout 1: Meet the experts

Hall 2

Chair:
Marc Vives Santacana (Girona, Spain)

Meet the experts
Daniel Sessler (Cleveland, United States) 12:15 - 12:45
Bernd Saugel (Hamburg, Germany)
Thomas Luscher (Zurich, Switzerland)

S

1S1 Friday, 28 October
Symposium 14:00 - 15:20

Cardiac concerns in specific situations

Hall 1

Chair:
Barak Cohen (Tel Aviv-Yafo, Israel)

Adults with congenital heart disease : what is the perioperative risk? 14:00 - 14:15
Mona Momeni (Brussels, Belgium)

Q&A 14:15 - 14:20
Mona Momeni (Brussels, Belgium)

Pregnant women with cardiac disease 14:20 - 14:35
Carolyn Weiniger (Tel Aviv, Israel)

Q&A 14:35 - 14:40
Carolyn Weiniger (Tel Aviv, Israel)

Vascular patients: higher risk? Specific prophylactic management? 14:40 - 14:55
Marc Vives Santacana (Girona, Spain)

Q&A 14:55 - 15:00
Marc Vives Santacana (Girona, Spain)

Cardiac manifestations in Covid 19 15:00 - 15:15
Yael Lichter (Tel Aviv, Israel)

Q&A 15:15 - 15:20
Yael Lichter (Tel Aviv, Israel)

OCT 28-29 2022

S

1S2
Symposium

Friday, 28 October
15:45 - 16:45

Patient blood management, anaemia and myocardial injury

Hall 1

Chair:

Thomas W.L Scheeren (Groningen, Netherlands)

The European Patient Blood Management Initiative

Kai Zacharowski (Frankfurt, Germany)

15:45 - 16:00

Q&A

Kai Zacharowski (Frankfurt, Germany)

16:00 - 16:05

Associations between perioperative anaemia and postoperative myocardial damage

Eva Rivas Ferreira (Barcelona, Spain)

16:05 - 16:20

Q&A

Eva Rivas Ferreira (Barcelona, Spain)

16:20 - 16:25

Direct Oral Anticoagulant (DOAC) antidotes

Anne Godier (Paris, France)

16:25 - 16:40

Q&A

Anne Godier (Paris, France)

16:40 - 16:45

MBO

1MBO2
Meet the Expert

Friday, 28 October
16:00 - 16:45

Breakout 2: Meet the experts

Hall 2

Chair:

Jean-Luc Fellahi (Lyon, France)

Meet the experts

Nandor Marczin (Harefield, United Kingdom)

Mona Momeni (Brussels, Belgium)

Valérie Billard (Villejuif, France)

Alexandre Joosten (Brussels, Belgium)

16:00 - 16:45

**OCT 28-
29 2022**

DAY 2 – 29 OCTOBER

KL	2KL1 Keynote Lecture	Saturday, 29 October 09:00 - 10:35	Tackling myocardial injury - optimizing perfusion	Hall 1
-----------	-------------------------	---------------------------------------	--	--------

Chair:

Steffen Rex (Leuven, Belgium)

Keynote lecture: New diagnostic criteria for myocardial injury after cardiac surgery Philip J. Devereaux (Hamilton, Canada)	09:00 - 09:30
Q&A Philip J. Devereaux (Hamilton, Canada)	09:30 - 09:35
Goal directed therapy: mean arterial blood pressure is my target Emmanuel Futier (Clermont-Ferrand, France)	09:35 - 09:50
Q&A Emmanuel Futier (Clermont-Ferrand, France)	09:50 - 09:55
Goal directed therapy: flow is my target Bernard Cholley (Paris, France)	09:55 - 10:10
Q&A Bernard Cholley (Paris, France)	10:10 - 10:15
Using closed-loop systems to optimize tissue perfusion perioperatively Alexandre Joosten (Brussels, Belgium)	10:15 - 10:30
Q&A Alexandre Joosten (Brussels, Belgium)	10:30 - 10:35

S	2S1 Symposium	Saturday, 29 October 11:00 - 12:20	Can monitoring influence myocardial injury?	Hall 1
----------	------------------	---------------------------------------	--	--------

Chair:

Alexandre Joosten (Brussels, Belgium)

Is there a role for intra-operative EEG monitoring in impaired hemodynamic conditions? Valérie Billard (Villejuif, France)	11:00 - 11:15
Q&A Valérie Billard (Villejuif, France)	11:15 - 11:20
Microcirculation and regional tissue oxygenation monitoring Thomas W.L. Scheeren (Groningen, Netherlands)	11:20 - 11:35
Q&A Thomas W.L. Scheeren (Groningen, Netherlands)	11:35 - 11:40
The role of continuous blood pressure monitoring Bernd Saugel (Hamburg, Germany)	11:40 - 11:55
Q&A Bernd Saugel (Hamburg, Germany)	11:55 - 12:00
Wireless monitoring : can we ignore what happens in the ward? Barak Cohen (Tel Aviv-Yafo, Israel)	12:00 - 12:15
Q&A Barak Cohen (Tel Aviv-Yafo, Israel)	12:15 - 12:20

**OCT 28-
29 2022**

MBO	2MBO1 Meet the Expert	Saturday, 29 October 11:15 - 12:00	Breakout 3: Meet the experts	Hall 2
------------	--------------------------	---------------------------------------	-------------------------------------	--------

Chair:

Nandor Marczin (Harefield, United Kingdom)

Optimizing intraoperative perfusion in practice: which tools?

Philip J. Devereaux (Hamilton, Canada)

Emmanuel Futier (Clermont-Ferrand, France)

Bernard Cholley (Paris, France)

Thomas W.L. Scheeren (Groningen, Netherlands)

11:15 - 12:00

S	2S2 Symposium	Saturday, 29 October 13:30 - 14:30	Cardiac surgery & mechanical circulatory assist devices	Hall 1
----------	------------------	---------------------------------------	--	--------

Chair:

Valérie Billard (Villejuif, France)

Myocardial ischaemia/reperfusion injury Lessons from cardiac surgery

Nandor Marczin (Harefield, United Kingdom)

13:30 - 13:45

Q&A

Nandor Marczin (Harefield, United Kingdom)

13:45 - 13:50

Postoperative myocardial dysfunction: the place of mechanical circulatory support ?

Steffen Rex (Leuven, Belgium)

13:50 - 14:05

Q&A

Steffen Rex (Leuven, Belgium)

14:05 - 14:10

Dying in an age of ECMO and LVADs

Kenneth McKinley (Glasgow, United Kingdom)

14:10 - 14:25

Q&A

Kenneth McKinley (Glasgow, United Kingdom)

14:25 - 14:30

RT	2RT1 Round Table	Saturday, 29 October 15:00 - 15:30	ROUNDTABLE UPDATE: NEW ESAIC CARDIAC RESEARCH GROUP: CARDINALoNET	Hall 1
-----------	---------------------	---------------------------------------	--	--------

Chair:

Nandor Marczin (Harefield, United Kingdom)

TA	2TA1 Takeaways	Saturday, 29 October 15:30 - 16:00	TAKE AWAY SESSION	Hall 1
-----------	-------------------	---------------------------------------	--------------------------	--------

Chair:

Bernd Saugel (Hamburg, Germany)
